### School Rules

The school's standards of behaviour describe the behaviour expected of all members of the school community, staff and pupils, parents/guardians and visitors. These values are put into practice through simple, clear and consistent school rules and routines which are built on:

- *respect for yourself*
- *respect for others*
- *respect for your school*

The school has four core School Rules and four Yard Rules:

### School Rules:

1. I come to school every day, on time and prepared.
2. I have respect for people and for property.
3. I do my best in class and allow others to do the same.
4. I behave in a proper manner around the school.

---

**Yard Rules:**

1. I stay in my own yard and away from windows
2. I keep my hands and feet to myself
3. I play safely and fairly
4. I line up as soon as the bell goes

These rules are brought to the attention of the children through the class teachers on a regular basis Behaviour that does not conform to one or more of these rules can be considered unacceptable.

The list of rules may vary slightly from time to time, depending on circumstances and as the need arises. For each rule we have certain expectations, and these are explained and taught to all pupils.

The success of the school's code of behaviour depends on consistency in the implementation of these rules. This will be achieved as follows:

- Teaching of the School Rules
- Rewards and Incentives for keeping the rules
- Prevention Strategies
- Sanctions for Breaking the Rules
- Modelling the standards
- Have ways of ensuring that students with special needs understand what is expected of them

### **Promotion of the School Rules**

All pupils are taught the School Rules when they start in third class and they are revised consistently throughout their remaining years in the school. Parents are given a copy of the rules at registration and they are encouraged and expected to talk to their children about the rules and to encourage their children to keep them.

The School Rules are promoted through the entire school community as follows:

- Noticeboards

The School Rules are displayed prominently in each classroom and throughout the school.

- Assembly

Assembly takes place once a month. It forms a valuable role in our whole school approach to developing self-esteem, promoting positive behaviour and effective discipline. Good work and achievements are highlighted, celebrated and rewarded. The school rules are emphasised and explained. Specific school routines for the classroom and yard are emphasised and explained.

- Newsletters to Parents

A newsletter is sent to home on a regular basis to inform parents of events taking place in the school. The school rules will be highlighted in the Newsletter and parents encouraged to reinforce these with their children.

### **Promoting positive behaviour**

Promoting positive behaviour is the main goal of our code of behaviour. Our reward system acts as a positive reinforcement of good behaviour. These are used to acknowledge and affirm good behaviour and good work and *can* consist of:

### **Prevention Strategies**

The most effective methodology in attempting to manage challenging behaviour is to prevent it occurring in the first place. Positive reinforcement of good behaviour leads to better self-discipline and we place a greater emphasis on rewards and incentives than on sanctions. The school's SPHE curriculum is used to support the code of behaviour. It aims to help our children develop communication skills, appropriate ways of interacting and behaving, and conflict resolution skills. It also aims to foster self-esteem and to help children accommodate differences and develop citizenship. It is important that we keep in mind that the behaviour expected in school may differ significantly from that accepted at home for some children. Recognising this, teachers will teach our pupils strategies that will enable them to meet the school's expectations.

Prevention strategies used in the school *may* include:

- Circle time
- Organised football, skipping and other activities at break time
- Carrying out useful tasks
- Time out & Movement Breaks
- Therapies e.g. Art Therapy
- Use of individual behaviour plans

### **Additional Supports**

Children with special needs may require assistance in understanding and respecting certain rules. Additional inputs and interventions may also be required to help some pupils manage their behaviour and to prevent them failing educationally. Such interventions could include

- Referral to another teacher or adult who can work with the student
- Involving the Care Team
- Individual Behaviour Support Plans may be devised in consultation with parents, class teacher, support teacher, learning support/ resource teacher, HSCL Co-ordinator and SNA. Professional assessments where available may inform and shape the plan.

### **Specialised Supports**

A small minority of students may exhibit particularly challenging behaviour. The school, in cooperation with the student's parents will seek to avail of any services that may assist in responding to the needs of the student. These services could include the National Educational Psychological Services (NEPS), National Council for Special Education (NCSE), Lucena Clinic, Art Therapist, relevant professional counselling services, etc.

### Sanctions for Classroom Misbehaviour

The school strives to solve issues at the lowest level possible. Teachers encourage, support and show pupils how they may be able to resolve issues themselves. Most issues will be resolved at this point. Where sanctions are imposed they will be graded and reflect the seriousness of the behaviour. (See Appendix A For examples of behaviours)

### Yellow and Red Cards

The school operates a yellow and red card warning system.

- Yellow cards are given for serious / disruptive misbehaviours.
- Red cards are given for very serious misbehaviour.
- All warning cards are sent home to be signed by parents.
- Yellow or red cards may be given for a single incident of misbehaviour.

### IMMEDIATE YELLOW CARDS GIVEN FOR:

## **2. Dealing with more Serious Issues**

Disruptive behaviours waste time and impinge on the good order and discipline in the school. When behaviour issues arise that require a sanction either because of the level of disruption, upset or hurt caused, or the persistence of the disruption the following sanctions will be used in a graded system to show disapproval and to discourage such unacceptable behaviour. Deputy Principal/Principal may be involved in investigating incidents which happen in the classroom as necessary.

1. *Verbal Warning* - the teacher will indicate the behaviour and the rule broken
2. *Reflection sheet* - completed at desk. Brought home to be signed and returned the next day.

### Suspension

Only in the most exceptional circumstances will suspension be considered. Having regard to the values of this school, attempts will always be made to bring out the best in pupils and to discriminate between disapproval of wrongful actions and the value of each individual in the school community. The decision to suspend a student requires serious grounds such as that:

1. The student's behaviour has had a seriously detrimental effect on the education of other students
2. The student's continued presence in the school at this time constitutes a threat to safety
3. The student is responsible for serious damage to property.
4. Assault on a staff member
5. Leaving the school grounds without permission

A single incident of serious misconduct may be grounds for suspension

### Expulsion

The Board of Management has the authority to expel a pupil. This authority is a reserved function of the Board of Management and is not delegated to the Principal. Before expelling a pupil, the school will have taken significant steps to address the misbehaviour and to avoid expulsion of a pupil.

Expulsion for a first offence: There may be exceptional circumstances where the Board of Management forms the opinion that a student should be expelled for a first offence. The kinds of behaviour that might result in a proposal to expel on the basis of a single breach of the code could include:

### **Absences / Communication**

The Education (Welfare) Act, 2000, Section 18, requires parents to notify the Principal of a school of the reasons for a child's absence. In compliance with these sections, the following procedures apply. For absences of pupils from school parents will send a note (in school journal) upon the return of the child to school outlining the reason(s) for absence or contact the school in person or by phone.

The Education (Welfare) Act 2000, Section 21(4) requires a School Principal to inform an Educational Welfare Officer in writing if the aggregate number of school days on which a student is absent from school during a school year is 20 days or more. Additionally, Section 21(4) authorises the School Principal to notify an Educational Welfare Officer if, in the opinion of the Principal, a child "is not attending school regularly".

### **Contact**

Where any parent has a concern about any aspect of behaviour the school should be contacted either by phone, in person or in writing and the matter brought to the attention of the child's teacher or the principal/deputy principal as appropriate.

### **Review**

Our Code of Behaviour will be next reviewed in January 2022.

- That you do not disturb the class.
- That you sit with the four legs of your chair on the floor at all times.
- That you do your homework each night, written and oral.
- That you always have your journal with you and take down your homework in it.
- That your parent/ guardian signs your journal/ work each night.

Because:

- The teacher is trying to help you.
- Disturbing the class is unfair to others who wish to learn.
- It is dangerous to swing back on the two legs of your chair.
- Homework is a back up to the work done in class.
- Your journal helps you remember what you have to do and is a means of communication between school and home.
- Getting your journal signed lets your parents see how you are getting on.
- It is important to take responsibility for tidying up after ourselves.

## **Appendix D: Procedures for Suspension**

The Board of Management has the authority to suspend a pupil. The authority to suspend a pupil for up to 3 consecutive school days has been delegated by the Board of Management in writing to the principal. The Principal is accountable to the BOM for the use of that authority.

A single incident of serious misconduct may be grounds for immediate suspension.

### **Suspension**

When a preliminary assessment of the facts confirms serious misbehaviour that could warrant suspension, the principal will:

- Inform the student and his/her parents about the complaint either by phone or in writing
- Give the pupil and the parents an opportunity to respond
- Remove the pupil from the class until a determination is made about suspension.

Parents will be given an opportunity to respond, to make their case for lessening the sanction and for the school to explore with parents how best to address the pupil's behaviour.

### **Immediate Suspension**

Suspension should be a proportionate response to the behaviour that is causing concern. Normally, other interventions will have been tried before suspension, and school staff will have reviewed the reasons why these have not worked. The decision to suspend a student requires serious grounds such as that:

- The student's behaviour has had a seriously detrimental effect on the education of other students
- The student's continued presence in the school at this time constitutes a threat to safety
- The student is responsible for serious damage to property
- Assault on a staff member
- Leaving the school grounds without permission

A single incident of serious misconduct may be grounds for suspension.

The principal has been authorised in writing to impose an automatic suspension where the continued presence of the pupil in the school at the time would represent a serious threat to the safety of students or staff or any other person or for any one of the named behaviours listed below:

- The students behaviour has had a detrimental effect on the education of other students
- The student's continued presence in the school at this time constitutes a threat to safety

- The deliberate destruction of school property
- Assault on a staff member
- Leaving the school grounds without permission

In the circumstances of an immediate suspension, the parents will be notified and arrangements made with them for the student to be collected from school.

In the circumstances where an immediate suspension is considered by the principal to be warranted, a preliminary investigation will be conducted to establish the case for the imposition of the suspension. A formal investigation will immediately follow the imposition of an automatic suspension during which the suspended pupil will be invited to the school to be interviewed by arrangement in the school either in the presence of his/her parents or not. The principal has the right to insist that the suspension continues pending any appeal and if the parent/child are successful in the appeal - such a suspension will be expunged from their record.

### **Period of Suspension**

A pupil will not be suspended for more than 3 days, except in exceptional circumstances where the principal recommends to the board of management that a period of suspension longer than 3 days is needed to achieve a particular objective.

The Board of Management considers the following circumstances are ones where the principal would consider recommending 5 days rather than 3 days as an appropriate

suspension. Any one of the following on its own may be considered appropriate to warrant a recommendation of 5 days suspension:

- when the pupil fails to recognise or acknowledge the seriousness of the events leading to a proposed suspension
- where injury has been inflicted on another person to such a degree of severity as to warrant medical attention and/or a visit to a doctor
- where the pupil continues to display belligerence, hostility or aggression

If a suspension longer than 3 days is being recommended by the principal the matter will be referred to the Board of Management for consideration and approval, giving the circumstances and the expected outcomes.

The Board of Management has authorised the principal in writing, with the approval of the Chairman of the Board of Management, to impose a suspension of up to 5 days in circumstances where a meeting of the board of management cannot be convened in a timely fashion, subject to the guidance already provided to the principal concerning such suspensions.

The board of management will not impose a suspension of more than 10 consecutive school days on a pupil at any one time.

The Board of Management will formally review any proposal to suspend a pupil, where the suspension would bring the number of days for which a pupil has been suspended in the current school year to 20 days or more.

### **Appeals**

The Board of Management will offer an opportunity to appeal a principal's decision to suspend a pupil. The principal has the right to insist that the suspension continues pending any appeal and if the parent/child are successful in the appeal – such a suspension will be expunged from their record.

### **Section 29 Appeal**

Where the total number of days for which a student has been suspended in the current school year reaches 20 days, the parents may appeal the suspension under section 29 of the Education Act 1998 as amended by the Education (Miscellaneous Provisions) Act 2007.

Parents will be notified of this right at the time when they are being formally notified of such a suspension. Information on how to appeal will also be provided.

Where a preliminary assessment of the facts confirms serious behaviour that could warrant suspension, the school will observe the following procedures:

1. Inform the students and their parents about the complaint
2. Give parents and student an opportunity to respond.
3. Where the parents do not agree to meet with the principal, written notification will serve as notice to impose a sanction.

The principal will notify the parents in writing of the decision to suspend their child and the letter will confirm:

- the period of suspension and the dates on which the suspension will begin and end
- the reasons for the suspension
- any study programme to be followed,
- the arrangements for returning to school including any commitment to be entered into by the pupil and the parents in relation to reaffirming their commitment to the code of behaviour
- the provision for an appeal to the Board of Management
- the right to appeal to the Secretary General of the Department of Education and Science.

- enable the school to set behavioural goals for the student and their parents
- give school staff an opportunity to plan other interventions
- impress on a student and their parents the seriousness of the behaviour

### **Removing a Suspension**

A suspension may be removed or altered either immediately or retrospectively if the Board of Management decides, or, if the Secretary General of the Department of Education and Science directs it to be removed under Section 29 of the Education Act 1998 as amended by the Education (Miscellaneous Provisions) Act 2007

### **Reintegrating the Pupil**

The principal will arrange for a member of staff to provide support for the pupil during the reintegration process. The pupil will be given the opportunity and support for a fresh start.

### **Recording and Reporting**

A record of the behaviour and sanction imposed will be kept which will include:

- The investigation including notes of all interviews held
- The decision making process

### Appendix E: Expulsion Procedures

The Board of Management has the authority to expel a pupil. This authority is a reserved function of the Board of Management and is not delegated to the Principal.

Before expelling a pupil, the school will have taken significant steps to address the misbehaviour and to avoid expulsion of a pupil including, as appropriate:

1. Meeting with parents and the student to try to find ways of helping the student to change their behaviour.
2. Making sure that the student understands the possible consequences of the behaviour, if it should persist.
3. Ensuring that all other possible options have been tried.
4. Seeking the assistance of support agencies, if appropriate

A proposal by the Board of Management to expel a student requires serious grounds, such that:

1. The student's behaviour is a persistent cause of significant disruption to the learning of others or to the teaching process.
2. The student's continued presence in the school constitutes a real and significant threat to safety.
3. The student is responsible for serious damage to property
4. Or any other offence that the Board of Management deems is of such a serious nature that may warrant expulsion for a first offence

5. While the grounds for expulsion may be similar to those of suspension, where expulsion is considered, the school authorities are satisfied that they have tried a series of other interventions and are satisfied that they have exhausted all possibilities for changing the students behaviour.

### **Expulsion for a First offence**

The Board of Management reserves the right to expel pupils for a first offence for the following behaviours:

1. A serious threat of violence against another pupil or member of staff.
2. Actual violence or physical assault.
3. The supply of illegal drugs to other students in the school.
4. Sexual assault.
5. Or any other offence that the Board of Management deems is of such a serious nature that may warrant expulsion for a first offence

### **Expulsion**

Where a preliminary assessment of the facts confirms serious misbehaviour that could warrant expulsion, the following procedural steps will apply:

1. A detailed investigation carried out under the direction of the Principal.
2. A recommendation to the Board of Management by the Principal.

3. Consideration by the Board of Management of the Principal's recommendation and the holding of a hearing.
4. Board of Management deliberations and actions following the hearing
5. Consultations arranged by an Education Welfare Officer of the National Educational Welfare Board
6. Confirmation of the decision to expel.

**Step 1:**

*A detailed investigation carried out under the direction of the Principal*

In investigating an allegation, the principal will:

- Inform the student and parents about the details of the alleged misbehaviour, how it will be investigated and that it could lead to expulsion.
- Give the parents and student every opportunity to respond to the complaint before a decision is made and a sanction imposed.

Parents will be informed in writing of the alleged misbehaviour and the proposed investigation in order to have a permanent record of having let them know.

**Step 2:**

*A recommendation to the board by the Principal*

Where the principal forms the view, based on the investigation that expulsion may be warranted, the principal makes a recommendation to the Board of management to consider expulsion. The principal will

- inform the parents and the student that the Board of Management is being asked to consider expulsion
- ensure that parents have records of: the allegations against the student; the investigation; and written notice of the grounds on which the Board of Management is being asked to consider expulsion
- provide the Board of Management with the same comprehensive records as are given to parents
- notify the parents of the date of the hearing by the Board of Management and invite them to that hearing
- advise the parents that they can make a written and oral submission to the Board of Management
- ensure that parents have enough notice to allow them to prepare for the hearing.

**Step 3: Consideration by the Board and the holding of a hearing**

The Board will review the initial investigation and satisfy itself that the investigation was properly conducted in line with fair procedures. It will ensure that no party who has had any involvement with the circumstances of the case is part of the Board's deliberations.

Where a Board of Management decides to consider expelling a student, it will hold a hearing. At the hearing:

- The Principal and the parents will put their case to the Board in each other's presence.
- Each party will be allowed to question the evidence of the other party directly.

- The meeting may also be an opportunity for parents to make their case for lessening the sanction.
- Parents may wish to be accompanied at hearings and the Board will facilitate this.
- After both sides have been heard, the Board will ensure that the Principal and parents are not present for the Board's deliberations.

**Step 4: Board of Management deliberations and actions following the hearing**

Where the Board of Management, having considered all the facts of the case, is of the opinion that the student should be expelled, the Board will notify the Educational Welfare Officer in writing of its opinion, and the reasons for this opinion. (Education (Welfare) Act 2000, s24(1)).

The student will not be expelled before the passage of twenty school days from the date on which the EWO receives this written notification (Education (Welfare) Act 2000, s24(1)).

The Board will inform the parents in writing about its conclusions and the next steps in the process. Where expulsion is proposed, the parents will be told that the Board of Management will now inform the Educational Welfare Officer.

**Step 5: Consultations arranged by the Educational Welfare Officer**

To ensure that arrangements are made for the student to continue in education the Educational Welfare Officer will:

- make all reasonable efforts to hold individual consultations with the Principal, the parents and the student, and anyone else who may be of assistance.
- convene a meeting of those parties who agree to attend (Education (Welfare) Act 2000, section 24).

Pending these consultations, the Board of Management may take steps to ensure that good order is maintained and that the safety of students is secured (Education (Welfare) Act 2000, s24(5)).

The Board may consider it appropriate to suspend a student during this time. Suspension will be considered where there is a likelihood that the continued presence of the student during this time will seriously disrupt the learning of others, or represent a threat to the safety of other students or staff.

### **Step 6: Confirmation of the decision to expel**

Parents will be notified immediately that the expulsion will now proceed. Parents and the student will be told about the right to appeal and supplied with the standard form on which to lodge an appeal. A formal record will be made of the decision to expel the student.

### **Review of use of expulsion**

The Board of Management will review the use of expulsion in the school at regular intervals to ensure that its use is consistent with school policies and to ensure that expulsion is used appropriately.
